

Peace for Afghanistan through
art, education, and women's rights

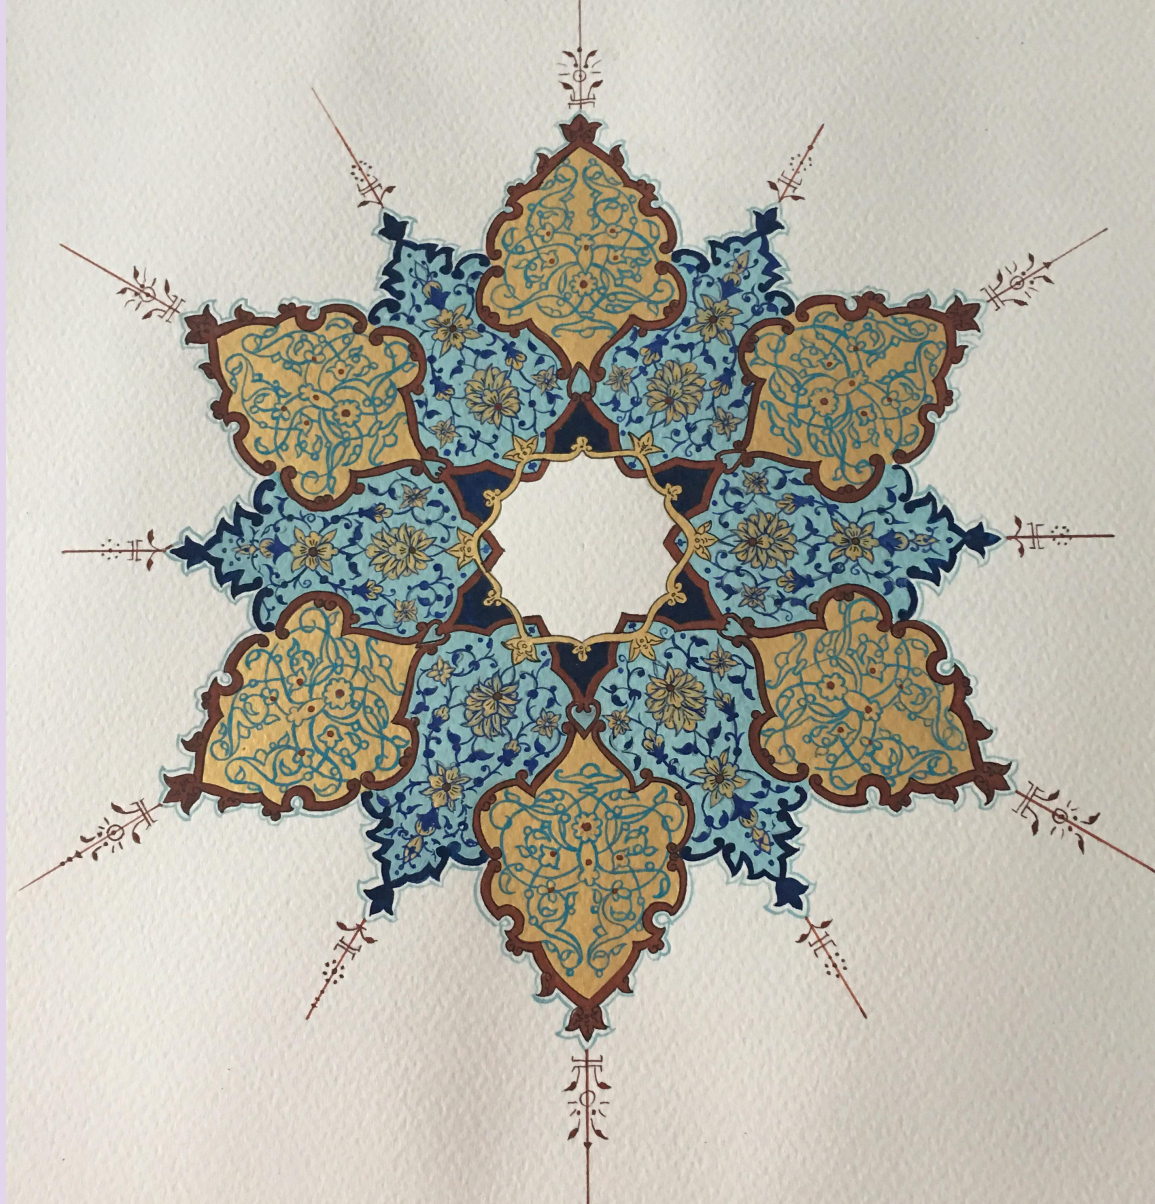

Samira Kitman, artist and entrepreneur

Illumination

Entrepreneur

« Samira Kitman chose to sign up for calligraphy classes with the *Turquoise Mountain Institute* in 2009. Now she is running one of Afghanistan's most successful arts businesses, producing bespoke commissions for private clients, exhibitions, and public buildings around the world. We are impressed by and admire the work of pioneering Afghan entrepreneurs like Samira. » US Embassy in Kabul, 2016

Working on the Mecca project

Afghanistan's woman entrepreneur of 2014

Employing rural Afghanistan
